WORKERS AT CHORZOW STEEL PLANT PLEDGE
TO SAVE 200 MILLION ZLOTYS

PRODUCTION CYCLE TO BE SHORTENED -- Rzeczpospolita, No 312, 12 Nov 49

Due to an intensive campaign at the Chorzow Steel Construction Plant to control surpluses and save material, it is expected that a considerable saving will be gained. The production cycle will be shortened, and flow of raw materials and finished products will be speeded up. Workers have pledged to save 200 million zlotys. At a recent plant meeting, speakers strongly urged that all industrial and economic resources be employed for the completion of the Six-Year Plan. The yearly saving plan yielded 221 million zlotys.

Chief plant director Choleva outlined a plan for further economies by reducing stocks of raw materials in process by 133,000,000 zlotys and surplus stocks earmarked for liquidation by 39 million zlotys; 74 million zlotys in operating funds will be saved by accelerating productive processes. Every effort will be made to speed up the collection of accounts receivable. A final resolution was passed to promote alertness against the activities of class enemies, waste, and economic sabotage.

MACHINE, ELECTROTECHNICAL INDUSTRIES COMPLETE 3-YEAR PLAN -- Trybuna Ludu,
17 Nov 49

The Central Administration of the Machine Industry reported that the yearly production plan was achieved 117 percent on 12 November, exceeding the 1948 production by 36 percent; the Three-Year Plan had already been completed on 5 September. Additional production valued at 40 million zlotys will be completed by the end of the year.

The plants under the jurisdiction of the Central Administration of the Electrotechnical Industry completed their yearly plan on 7 November, 13 days ahead of schedule. The value of the annual production is 356,800,000 zlotys.

AUTOMOTIVE INDUSTRY TO INCREASE OUTPUT -- Sozialistische Volkszeitung, No 74,
25 Oct 49

During the Six-Year Plan the output of the Polish automotive industry is to be quadrupled.

It is planned to manufacture 11,000 caterpillar and wheeled tractors, 45,000 motorcycles, and 50-passenger motor busses. Two new types of trucks are being developed. The manufacture of replacement parts, ball bearings, and tools is being greatly expanded.

Polish engine plants will double their personnel in the course of the Six-Year Plan.
